Important

This is only a summary of the available benefits and co-payments that may apply to certain benefits. Please consult the registered Rules of Medihelp and the Member guide for more details. In case of a dispute, the Rules of Medihelp will apply (subject to approval by the Council for Medical Schemes). Certain added insured benefits are not available if the patient has registered the medical condition for PMB or chronic medicine benefits, as the treatment is no longer considered as preventive care.

Added insured benefits

Medihelp provides these benefits on top of your insured day-to-day benefits. You can activate them when you register on HealthPrint, Medihelp's free wellness programme for members, on the Member Zone. Your health screening results from Dis-Chem or Clicks will automatically upload to your health record on HealthPrint.
